| 2026 fee categories | 2026 fee |
|--|--------------------|
| Other Accreditation Fees | |
| Progress Report review (per report) | \$2,029 |
| Assessment of existing accredited program at additional campus | \$795 |
| Administrative processing of an additional or combined degree title for an existing accredited sequence/program of study | \$288 |
| Program accreditation status check (per program) (formerly transcript checks) | \$156 |
| Historical program accreditation status check for checks spanning beyond 10 years (per program) (formerly transcript checks) | \$364 |
| Material changes. Costs will be determined on case-by-case basis (initial scan to determine the nature of change is included in the annual fee) | Case-by-case basis |
| Compliance audits will be costed on case-by-case basis, depending on the requirements of the audit | Case-by-case basis |
| Annual fee per program sequence# (incl annual report review, notification of program in teach out/discontinuations, change of accredited program titles, general enquiries, ongoing provider support, provider information sessions, complaints handling) | \$700 |

*For physical site visits, providers are required to directly bear the full cost of economy travel (except offshore travel which will incur premium economy fares, or business fares where premium economy is not available), accommodation, transfers, meals and travel time for all assessment team members.

^ Program sequences are defined as a recognised set of units of study in psychology and the rules governing their completion including the order in which they must be undertaken. Identical program sequences are only charged once.

The annual fee does not apply to providers undergoing re-accreditation cycle assessment
